

## PAKISTAN AEROSPACE COUNCIL VENTURES INTO MEDICAL DEVICES

[Pakistan Aerospace Council](#) (PAeC) is forging new pathways by engaging with leaders in the Medical Device Field, drawing inspiration from pioneers like [Alsons Technologies](#) who have successfully ventured into [Medical Devices](#) from Engineering.

At the recent conference on [Medical Device Development & Production in Pakistan](#), held on 25th April, 2024 in Islamabad esteemed panelists Mr. [Abdur Rehman Allana](#), Mr. [Akbar Allana](#) and Mr. [Imtiaz Rastgar](#), alongside [Dr. Shoab Khan](#) shared invaluable insights. Their expertise shed light on national medical device policies, regulatory challenges, and the promising scope for collaboration between Aerospace and Healthcare industries.

Moreover, the panel discussion was skillfully moderated by [Prof. Dr. Murtaza Najabat Ali](#) of [Revive Medical Technologies Inc.](#), who guided insightful discussions on the future trajectory of the Medical Devices sector in Pakistan.

We are thrilled to announce that we're on the brink of signing an MOU with industry leaders, aiming to encourage Aerospace companies to explore opportunities in the Medical Devices sector. This strategic move underscores our commitment to fostering innovation and collaboration across high-tech industries, propelling Pakistan towards global healthcare leadership.

Keep an eye out for more groundbreaking developments

### INSIDE THE ISSUE

- 01 President of PAeC, Dr. Haroon Qureshi, convened a meeting with Adviser to the PM on Aviation, Air Marshal (R) Farhat Hussain Khan.
- 02 Daudsons Armoury exhibits at the World Defense Show-2024.
- 03 Ankara Industrial Cooperation Days in Defense and Aerospace - ICDDA 2024.
- 04 PAeC Participation in Dubai Air Show 2023.
- 05 PAeC Founding Members demonstrated their entrepreneurial expertise at NICAT.

## About Pakistan Aerospace Council (PAeC)

The Pakistan Aerospace Council (PAeC) is a cluster organization for enterprises active in the aerospace, defense and high-tech electronics market. It is formed for global promotion of high-value addition and high technology manufacturers of Pakistan while meeting the national needs for technology acquisitions as well as expert-led, sustainable, growth of Pakistan Aerospace Industries.

PAeC supports the development of aviation and related technologies, improves the visibility of Pakistani aerospace globally aiming for a growing market share. We aim to cater to our members' interests on a political level, facilitate networking between our member our members, develop business opportunities by organizing attendance to major business events and aims at a well-functioning triple helix structure.

## PRESIDENT OF PAEC, DR. HAROON QURESHI, CONVENED A MEETING WITH ADVISER TO THE PM ON AVIATION, AIR MARSHAL (R) FARAT HUSSAIN KHAN

Excited to share compelling insights from a recent pivotal meeting! President of [Pakistan Aerospace Council](#) (PAeC) Dr. [Haroon Javed Qureshi](#) and Convener PAeC, Dr. [Arshad Ali](#) engaged in productive discussions with [Air Marshal Farhat Hussain Khan](#), serving as Interim Adviser to the [Caretaker Prime Minister](#) on Aviation in his office at the [Ministry of Aviation](#), Islamabad.

During the meeting, Air Marshal Khan sought the expertise of [#PAeC](#) for the formulation of the proposed Aviation

Engineering Policy by the Ministry of Aviation. Additionally, inputs were requested on enhancing the monitoring of Unmanned Aerial Vehicles ([#UAVs](#)) in Pakistan.

This collaborative effort underscores [PAeC's](#) commitment to shaping aviation policies and promoting safety and innovation in the aerospace sector.

Exciting developments ahead—stay tuned!" as we continue to contribute to the advancement of aviation in Pakistan!

## DAUDSONS ARMOURY EXHIBITS AT THE WORLD DEFENSE SHOW-2024

Representing [Pakistan's](#) growing private defense sector, [Daudsons Armoury](#), a member company of [Pakistan Aerospace Council](#) showcased its cutting-edge products and expertise at the prestigious [World Defense Show](#) 2024, held in Riyadh, Saudi Arabia.

During an international assembly of defense industry professionals and experts, [Daudsons](#), known for its dedication to excellence and creativity, presented a wide range of products, featuring the highly praised AGL-40 Grenade Launcher, Precise Shotguns and

Pistols. Notably, [Daudsons Armoury's](#) achievement as the premier private sector defense entity in Pakistan to attain both [ISO 9001 \(Quality Management System\)](#) and [ISO 14001 Certification](#) underscores its dedication to international Quality Standards and Environmental Stewardship.

The participation of [Daudsons Armoury](#) at the [World Defense Show](#) showcases Pakistan's growing presence in the [Global Defense](#) Sector and strengthens the strategic partnership between [Pakistan](#) and Saudi Arabia in defense cooperation.

## ANKARA INDUSTRIAL COOPERATION DAYS IN DEFENSE AND AEROSPACE - ICDDA 2024

The 6th edition of "[Ankara Industrial Cooperation Days in Defense and Aerospace](#)" - ICDDA 2024 is set to take place on 17-19 April 2024 in Ankara, TURKIYE. [Pakistan Aerospace Council](#) (PAeC) will be participating in ICDDA 2024. Providing an excellent opportunity to demonstrate our capabilities to the [Turkish Aerospace & Aviation Industry](#).

This event is a prime opportunity for members of [Pakistan's Aerospace](#) community to connect, collaborate, and explore new horizons. We extend a warm

invitation to all members of the [Pakistan Aerospace Council](#) to join us for this prestigious gathering.

Proudly facilitated by ICDDA's International collaborative partner, [Supreme Technocrafts Aviation Services](#), PAeC members from Pakistan will receive tailored support to maximize their experience and engagement with local industry players.

Let's highlight the excellence of the #PAeC community on the Global platform.

## PAeC PARTICIPATION IN DUBAI AIR SHOW 2023

PAeC proudly announced the President of PAeC, [Dr. Haroon Qureshi](#) and Vice President South [Mr. Mahmood Sherani](#) has participated in the esteemed [Dubai Air Show](#) in Dubai. This significant presence underscores PAeC's commitment to

fostering global collaboration and industry leadership

The [Dubai Air Show 2023](#), renowned as a cornerstone event in the aerospace industry, served as a vital platform for PAeC delegates to engage with international counterparts, exchange insights, and showcase Pakistan's Aerospace capabilities. The 18th edition of the [Dubai Airshow](#) 2023 under the theme "The Future of the Aerospace Industry" was an impressive event, showcasing a remarkable gathering of over 1,400 exhibitors from 98

countries. It featured more than 350 distinguished international speakers, 90 innovative start-ups, and 20 amazing country pavilions.

[Dr. Haroon Qureshi](#), as President of PAeC and [Mr. Mahmood Sherani](#), leveraging their expertise as Vice President South, played a pivotal role in forging connections and exploring opportunities for strategic partnerships. Their presence epitomized PAeC's dedication to expanding its footprint in the international aerospace arena.

## PAeC PAEC FOUNDING MEMBERS DEMONSTRATED THEIR ENTREPRENEURIAL EXPERTISE AT NICAT

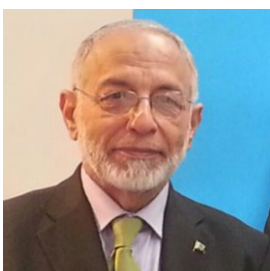

[#PAeC](#) is thrilled to announce the engagement of its esteemed Members in the Phase-1 pitching event at [National Incubation Center for Aerospace Technologies](#)

Let's give a round of applause to these visionary leaders who have demonstrated their entrepreneurial spirit and expertise.

[Haroon Javed Qureshi, PhD](#) - Founder, [East West Infiniti](#) / President, [Pakistan Aerospace Council](#) (PAeC) [Mansoor Malik](#) - President [GIS Plus Total Solutions Pvt. Ltd.](#) / Founder, [Pakistan Aerospace Council](#) (PAeC). Their presence amplifies the spirit of Innovation within PAeC, setting the stage for groundbreaking advancements in the aerospace industry.

## ROLE OF BUSINESS SUPPORT ORGANIZATION (BSOS) IN PAKISTAN

Founder Convener of [Pakistan Aerospace Council](#) (PAeC) Mr. [Imtiaz Rastgar](#) share insights on the pivotal role of trade bodies in

Pakistan! As highlighted, these organizations serve as Business Support

Organizations (BSOs), actively promoting the interests of their members through Lobbying, Advocacy, and Cutting-edge research.

In a rapidly evolving market, their guidance on Market Trends and Technology Directions is invaluable.

Cheers to the influential role Trade Bodies play in propelling business growth and prosperity in Pakistan

# AEROSPACE TECHNOLOGY EXHIBITION & SEMINAR

The Pakistan Aerospace Council (PAeC) in collaboration with COMSTech Islamabad announces an exclusive Exhibition and Seminar of High-tech Industries.

**06th – 8th August  
2024**

## Event Highlights

- Aerospace Excellence Exhibition Featuring Latest Innovations
- Display of Manufacturing Capabilities by Pakistani Manufacturers
- Specialist Speakers from Aerospace, Aviation and Tech Industry
- Networking with OIC Countries
- Symposium on Market Trends & Tech Advancements
- Aerospace Tech Demonstrations and Product Exhibits
- International Aerospace

This is an excellent opportunity to showcase product and technologies to local and international customers. It is a step toward link with OIC member countries as well as local, customers and defense, Electronics, Instrumentations markets.
